

Glenside Fire District 2013

Our Mission Statement

The Glenside Fire Protection District is dedicated to preserving the quality of life and property of our residents and businesses by providing diverse, high quality services that answer the needs of our community. We will participate actively in the community through education and prevention, serving as a role model that is identifiable, accountable, and one that lets the community know:

"We're There and We Care"

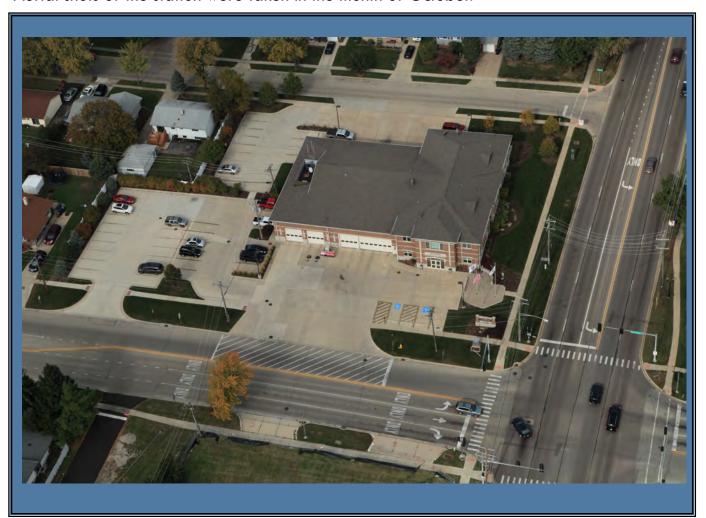

Annual Report 2013

The members of the Glenside Fire Protection District take great pride in providing the residents and visitors of the district with quality cost effective care each and every day. Glenside personnel saw a 7% decrease in requests for emergency service in 2013 versus 2012.

The district responded to 2,008 requests for service in 2013 with 71% being for Emergency Medical Services (up 9% from 2012). Our Paramedics and Emergency Medical Technicians had contact with 1,421 patients and provided advanced life support care to 672 of them.

We are pleased to report that there were no fire fatalities in the Glenside Fire Protection District in 2013. The district saw a decrease in fire loss in 2013. The fire loss in 2013 was \$355,107, while in comparison 2012 saw a fire loss of \$465,120. The majority of this loss came from two residential and one industrial fires:

Aerial shots of the station were taken in the month of October.

Annual Report 2013

Incidents and Fire Loss

Fire...August 25th Garage Fire went to a MABAS box alarm with temperatures that day reaching 89 degrees. Glenside firefighters found a fully involved garage fire impinging on the second floor of the house. The fire spread to the second floor and attic. All of the residents had evacuated prior to our arrival. The fire was controlled by multiple handlines. Fire companies from Addison, Bloomingdale, Carol Stream, Glen Ellyn, Hanover Park, Lombard, Elk Grove Village, Roselle, West Chicago, and Winfield helped extinguish the fire. Property and contents were valued at \$237,000. Property and content value lost was \$130,000.

Incidents and Fire Loss

Fire alarm activated. On February 19 Quint 58 and Medic 59 were dispatched to a fire alarm that was for a fire in the building. The building had a fire with the electrical system. As soon as the power was de-energized the crews put the fire out. Fire companies from Addison, Bloomingdale, Carol Stream, Bartlett, and Glen Ellyn assisted. Property and contents were valued at \$140,000. Fire loss was \$20,000.

Once again, residents experienced loss due to dryer fires. An unattended dryer was left running with no one at home. Fires also occurred with household appliances including stoves, lamp fixtures, etc.

News

On November, 17 2013 the Glenside Fire Protection District members and citizens of the State of Illinois shared in the disbelief of destruction caused by a devastating storm. At least 16 tornadoes were later ranked from that day and primarily affected the towns of Washington (EF-4), Gifford (EF-3), Coal City, Diamond, Frankfort, Manhattan, Pekin, St. Elmo (EF-2) and many others. The storm caused damage in Illinois, Indiana, Kentucky & Missouri.

The pictures on this page were taken 1 week after the storm hit and a majority of the destruction had been cleaned from the streets. The District members, community and volunteers provided donations to assist the families affected by this horrific storm in Washington of which 1 individual lost their life, 120 were injured, over 500 families' homes were damaged and many were displaced from their homes. Trustee Osborn and Acting Officer Cavanaugh made the trip to Washington, IL to personally visit Police Commander Robert Abel (retired Lt. from the District pictured below) to drop off collected items.

New Apparatus

In December, 2013 the Glenside Fire Protection District proudly received their second employee designed Fire Engine. The new engine is built by Ferrara Fire Apparatus and had minor changes made to the 2010 engine build. The Engine is equipped with a 1,500 GPM pump, carries 1,000 gallons of water, and can seat a crew of 5 firefighters. It will be placed into service in 2014. This new engine will replace a 1981 model and is expected to be in service for the next 20 years.

Glenside Family For Charity

Finest vs Bravest Charity Basketball Event

The second Glendale Heights Police versus the Glenside/Bloomingdale Firefighters charity basketball event took place in November at the Village's new Sports Recreation Center. The event featured a competitive game that resulted no (official) injuries! Representatives of the Fire District put up a great battle for the large crowd, but found themselves a couple of points short of the win. The family of recently passed Glendale Heights Police Officer Don Darby received the \$ 3,597.00 raised in this charity event.

Team picture - members included Mike Pacie, Chief Russ Wood, Deputy Chief Jeff Janus, Isaac Evans, Brian Hauser, Jr., Jimmy Ketcham, Jeremy Durbin, Louis DiGioia, Mike Raimondi, Kyle Lipponeur, Adam Bzdelik, Scott Briarton and Lino Novielli.

Glenside Family For Charity

NATIONAL FALLEN FIREFIGHTERS FOUNDATION'S ANNUAL

The District once again co-sponsored with the Glenside Professional Firefighters Association, IAFF Local 3277, the 5th Annual Chicagoland Golf Tournament to benefit the National Fallen Firefighters Foundation and raised over \$28,600 in this single day event. The five year event has donated over \$132,000 to the foundation. Five year sponsors were recognized with commemorative plaques at the dinner ceremony.

MDA Fill The Boot Drive

The Glenside Professional Firefighters Local 3277 once again sponsored the "Fill The Boot" Drive to benefit the Muscular Dystrophy Association. Members of the entire Glenside Family assisted with this event. Acting Officer Mike DeLillo organized the members of the District for the two-day August event. A check in the amount of \$5,162.24 was given to the MDA representative and will benefit local area children. The local MDA Representative recognized the drive's efforts with a commemorative plaque at the October Trustees Board Meeting. (Picture is from 2012 presentation)

The District recognized milestone anniversaries for employees through service award acknowledgement. The 2012 Service Awards ceremony was held at the Glendale Lakes in March, 2013 and recognized the following employees for their years of dedicated service to the Glenside Fire Protection District (through June, 2013):

5 Year Anniversary Recognitions

Firefighter/Paramedic Adam Bzdelik
Administrative Assistant Laura Haiden
Firefighter Lino Novielli
Firefighter Dave Zielinski

10 Year Anniversary Recognitions

Acting Officer Mike DeLillo Firefighter Jeff Hammond Commissioner Ray Rodriguez

15 Year Anniversary Recognitions

Firefighter Bob Johnston
Paramedic/Firefighter Don Sparks

20 Year Anniversary Recognitions

Acting Officer Rich Cassady
Trustee Sharon Christopher
Firefighter Chris Wallin

30 Year Anniversary Recognitions

Lieutenant Robert Garon Firefighter Rich Schmidt

Retirements - Acting Officer Steve Long

Steve Long retired from the Glenside Fire Protection District on November 16, 2011 after 30 years of service (to the date). Steve was an acting officer on gold shift and was the President of the Glenside Firefighters Professional Association Local 3277.

Retirements - Firefighter/Paramedic Douglas Mendlik

Doug Mendlik retired with a duty disability from the Glenside Fire Protection District on February 21, 2013 after four and 1/2 years of being a full-time firefighter. Doug was previously with the Air Angels and a full-time paramedic with the District since 2004.

Recognition—Mechanic Steve Garite

Steve Garite was recognized for his 20 years of dedicated service to the fleet of the Glenside Fire District. Steve has worked hand in hand with the members of the District to assist in the build of the two most recent engines purchased by the District.

Dedication Inscription:

On April 13, 2011 an eight-pound axe became dislodged from its mooring at the tip of Quint 717 during a training evolution. The axe fell 75 feet onto this Bullard helmet which was being worn by Firefighter-Paramedic Doug Mendlik, rendering him unconscious, permanently disabling him, and ending his firefighting career. Doug Mendlik is ALIVE today by the Grace of God and because of a culture of safety. Because Lt. Stephen Lipowski fostered a spirit of safety on his shift, Doug PROPERLY wore his helmet with chin strap on and tightened, preventing certain death and allowing Doug to celebrate life with his wife Kristi and new daughter Miranda.

Publication Education Events

Firefighter Jeff Hammond assists in the preparation of the firefighter children for the annual poster picture.

Annual Public Education Events

The District and its members were once again present at various public education events held within our community as well as at our own station.

- Olendale Heights 5-Day Fest with fireworks, first aid tent and public education information provided
- ♦ Health And Safety Fair held this year at the new Glendale Heights Sports Center
- ♦ Fishing Derby
- ♦ Various Parties in the Park sponsored by the Village
- ♦ National Night Out

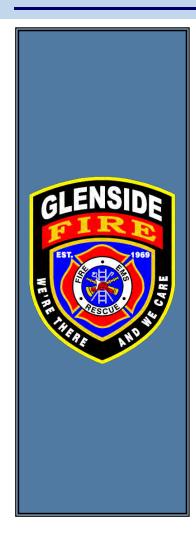

See detailed report with public attendance summaries later in the report.

Annual In School Education Program

The District has continued to work with the administration for schools that reside within our District. The 3rd Grade Fire Safety Program has continued in the District 16 schools for the past 8 Years. This past year, the students were evaluated at the beginning and end of the 7 month program.

- 19% of students went from fail to pass on the fire safety quiz, bringing all students to an acceptable fire safety knowledge level
- 69% of students increased their overall quiz score over the course of the program

Fire Prevention Bureau

The fire prevention bureau has experienced a very busy year. To our delight and somewhat surprise, there have been several new building starts and a few major additions within our Fire District in 2013. We now have a new 82 unit Senior Apartment building, a public storage warehouse, a start on a new Mosque, a two story hospital expansion and a large build out of Medifil Inc. on Windy Point Drive. This year we also finished up with the approval and final inspection of several large Village projects.

Apart from our typical activities we also provided the continuation of the Senior Fire Safety Program. This program is offered once a month for 8 months out of the year. National statistics show the two groups most at risk from dying in a fire are the old and the young. Few Fire Departments have the commitment to address these concerns but with our 3rd grade fire safety program and our Senior fire safety program we are very proud to address both.

Also new this year was an effort put forth in the identification and annexation of 22 properties into our Fire District. All of these properties are south of North Ave. We have been successful in obtaining voluntary annexation agreements with five of these properties.

Below is a statistical summary for the 2013 Fire Prevention Bureau 1,237 total Activities:

645 Fire Inspections 355 Fire Alarm Tests

104 Plan reviews 53 Meetings

33 Public Education Activities 19 Consultations

8 Investigations 2 Citizen Referrals/Complaints

15 Fire Department Instructional Training

\$38,620 Inspection & Review Fees Collected

\$13,470 Projected annual tax collection increase from new annexations in 2013

Chief's Final Notes

The Board of Trustees and members of the Glenside Fire Protection District thank you for your interest in our annual report. We hope that this report has helped you understand some of what we do and where our efforts are. Our personnel remain committed to being good stewards of the public's trust as we continue to explore ways to reduce costs while still providing high quality care and services to the community. The residents, visitors and people who work within this community should be pleased knowing that there are professional, well trained people on duty that can assist them in times of need.

Thank you and may you and your family enjoy a safe and productive 2014.
