Annual Report 2012

Glenside Fire District 2012

Our Mission Statement

The Glenside Fire Protection District is dedicated to preserving the quality of life and property of our residents and businesses by providing diverse, high quality services that answer the needs of our community. We will participate actively in the community through education and prevention, serving as a role model that is identifiable, accountable, and one that lets the community know:

“We’re There and We Care”

Annual Report 2012

The members of the Glenside Fire Protection District take great pride in providing the residents and visitors of the district with quality cost effective care each and every day. Glenside personnel saw a 2% decrease in requests for emergency service in 2012 versus 2011.

The district responded to 2,243 requests for service in 2012 with 62.2% being for Emergency Medical Services. Our Paramedics and Emergency Medical Technicians had contact with 1,433 patients and provided advanced life support care to 774 of them.

We are pleased to report that there were no fire fatalities in the Glenside Fire Protection District in 2012. The district saw a decrease in fire loss in 2012. The fire loss in 2012 was \$465,120, while in comparison 2011 saw a fire loss of \$609,700.00. The majority of this loss came from three residential fires:

On March 10, 2012 a house fire occurred in a single family dwelling at 1498 Prairie. The cause of the fire was a bad light ballast.

Annual Report 2012

On May 2, 2012 a basement fire occurred at a single family dwelling at 1510 Liberty. The cause of the fire was an unattended candle left burning.

On July 5, 2012 a garage fire occurred at 98 W. Wrightwood which caused damage to two adjacent homes. This fire occurred on one of the hottest days of the year with heat indexes in excess of 110 degrees. The cause of the fire was a build up of gasoline vapors during vehicle repairs.

Annual Report 2012

On July 1, 2012 intense thunderstorms rocked DuPage County. On a typical day the Glenside Fire Protection District responds to an average of 6-7 emergency incidents in a 24 hour period. On July 1, we responded to 109 emergency incidents in a 10 hour period. This spike in emergency incidents resulted in the busiest period in the departments 44 year history.

On October 7, 2012 a detached garage fire occurred at 1572 Amy Avenue. The garage was fully involved upon arrival and was caused by a discarded cigarette in a garbage can.

On December 8, 2012 a fire occurred on the second floor of a townhome at 1430 Clubhouse Court. This rapidly advancing fire was quickly brought under control and damage was minimized. The fire was caused by an unattended candle left burning.

New Apparatus

On July 20, 2012 the Glenside Fire Protection District proudly placed into service a new custom built advanced life support ambulance. This new ambulance replaced a 1999 model and is expected to be in service for the next 12 years.

Glenside Family For Charity

Finest vs Bravest Charity Basketball Event

The first Glendale Heights Police versus the Glenside Firefighters charity basketball event took place in April at the Village's Sports Hub. The event featured a competitive game that resulted in the crowd wanting more! Representatives of the Fire District put up a great battle for the large crowd, but found themselves a couple of points short of the win. The American Cancer Society and the Leukemia & Lymphoma Society were each the recipients of \$ 1,000.00 raised in this charity event.

Team picture - members included Mike Pacie, Brian Hauser, Jr., Kyle Lipponeur, Louis DiGioia, JP Rosentreter, Adam Bzdelik and Adam Mullendore.

MDA Fill The Boot Drive

Gold Shift and MDA Representative

The Glenside Professional Firefighters Local 3277 once again sponsored the "Fill The Boot" Drive to benefit the Muscular Dystrophy Association. Members of the entire Glenside Family assisted with this event. Acting Officer Mike DeLillo organized the members of the District for the August event. A check in the amount of \$6,021 was given to the MDA representative and will benefit local area children. It was the largest amount raised for the organization for the year and the District's top collected amount as well. The local MDA Representative recognized the drive's efforts with a commemorative plaque at the September Trustees Board Meeting.

Glenside Family For Charity

National Fallen Firefighters Foundation Golf Tournament

The District once again co-sponsored with the Glenside Professional Firefighters Association, IAFF Local 3277, the 4th Annual Chicagoland Golf Tournament to benefit the National Fallen Firefighters Foundation and raised over \$31,000 in this single day event. For the second year in a row, this was the most successful tournament in the United States for the NFFF.

National Fallen Firefighters Foundation Memorial Weekend

Deputy Chief Larsen volunteered as a "Family Escort" at the National Fallen Firefighters Foundation Memorial Service in Emmitsburg, Maryland in October and was honored to be of service to the family of Battalion Chief Steve Auch of the Indianapolis, Indiana Fire Department who died in the line of duty on February 1, 2011.
